Oct 2021 to Dec 2021

Web portal for Swiss based fertilizer company.

Technologies Used

- Angular 10
- Jest, Cypress
- Node.js, Express
- AWS
- Git

My Role

- Sr. Front End Developer

Responsibilities

- Owning user story from designing, implementing
- Writing unit and end-to-end tests
- Code review
- Performance tuning
- Code refactoring and optimization

....

Jan 2021 to August 2021

Multi-tenant web portal for Singapore based insurance company

Technologies Used

- Angular 10
- Jest, Cypress
- Node.js, Express
- AWS
- Git

My Role

- Sr. Front End Developer

Responsibilities

- Owning user story from designing, implementing
- Writing unit and end-to-end tests
- Code review
- Performance tuning
- Code refactoring and optimization

....

Oct 2020 to Dec 2020

Multi-tenant web portal for USA based insurance company

Technologies Used

- Angular 10
- Jest, Cypress
- Node.js, Express
- AWS
- Git

My Role

- Sr. Front End Developer

Responsibilities

- Owning user story from designing, implementing
- Writing unit and end-to-end tests
- Code review
- Performance tuning
